## Notes

1. If your declaration covers donations you may make in the future:
  - Please notify the charity if you change your name or address whilst the declaration is still in force.
  - You can cancel the declaration at any time by notifying the charity in writing. The declaration will not then apply to any donations you may make after the date of cancellation or such later date that you specify.
2. You must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity will reclaim on your donations during the relevant tax year (currently 28p for each £1 that you give).
3. If your circumstances change in the future and you no longer pay tax on your income or capital gains equal to that which the charity will reclaim, you will need to cancel your declaration (see note 1).
4. If you pay tax at the higher rate, you can reclaim further tax relief from HM Revenue & Customs.
5. If you are unsure whether your donations qualify for tax relief under Gift Aid, ask the charity or HM Revenue & Customs.
